

Memorandum of Understanding
Regarding On-Campus Alcohol Use at Reunion Parties
Only Beer and Wine Permitted

I, _____, a member of the class of _____, understand the college alcohol policy and the laws of the State of Georgia and the City of Decatur. I also understand that these policies and laws are in affect and pertain to alcohol consumption at all class parties on campus. I agree to assist in monitoring my classmates' (and guests') alcohol consumption at our on-campus event(s). I will also cooperate with the bartender if someone should no longer be served and will provide information regarding taxi service, if needed, in order to prevent drinking and driving. The Agnes Scott officers are City of Decatur police and are on hand to ensure laws are being obeyed and to assist in the case of emergency. By signing, I do not assume any responsibility/liability for the actions of those in attendance.

I understand that reunion parties end at 11 p.m. for the safety and liability of everyone involved, but that reunion officers will have an additional 30 minutes to clear out any décor, etc.
